

Coronavirus Prevention and Response Plan for Continuous Operations for Community Action Partnership of Lake County

Community Action Partnership Board and Staff has been working diligently to develop a continuous operation's plan during this unprecedented time with the COVID-19 emerging global disease. We have been working with the state and federal funding sources for guidance on how to best continue providing resources to our community.

The Community Services Block Grant Program (CSBG) and LIHEAP will continue to operate. Customers' applications will be completed via phone applications. Clients will scan, email, fax or drop off documents to our caseworkers. Each location will have a lockbox for drop offs located outside of the facility for documents if needed. This will be checked every hour.

Weatherization assistance has been suspended per state request until further notice.

- Head Start Services have been suspended until further notice
- Food Pantry is closed. Please call for referrals for emergency food
- ALL Catering and Banquet Hall Events have been canceled through May 2020, pending status of Coronavirus
- Changing Lives Upscale Resale Shop is closed until further notice

Our administrative offices remain open.
We will continue to update you as we continue to receive guidance.
We will help to keep Lake County Safe and Healthy.
